For perfumes, notions, toilet articles, etc., call on Black & Crawford's drug store.

Supreme Court of Tennessee meets at Jackson Next Monday.

Tobacco.—Fleming, Ussery & Co., can supply you with the finest and best chewing tobacco. Take a chew? There's none better.

Clothing.—Bills & Hill would call your attention to the large and varied stock of ready-made clothing which they have on hand and for sale at very low rates for cash.

PERSONAL.—Ed. A. Garland, the wide-awake editor of the Water Valley Courier, paid us a visit last Thursday. Come again, Ed., we'll be happy to see you at any time.

Cloaks.—Ladies, call at the cash house of Bills & Hill and secure those beautiful cloaks that are being sold so low for cash.

Wilkinson Brothers have a store full of reasonable goods. The popularity of this firm is too well known to need comment. Call in and see them at their new stand, north side public square.

During the past and present week a number of our fellow-citizens have made business trips to Memphis, and returned "sound in mind and body." This is a sure guarantee that there is no danger in going to Memphis now.

For pure and fresh drugs go to the store of Black & Crawford.

The Tempest has just been supplied with fine wines, liquors and brandies from one of the best establishments in the Union. If you want that which is pure and good, go to the Tempest and ask Brooks for a "sample" drawn from the cask that contains Hoffheimer's best.

DIED.—At the residence of W. C. Gray, in Bolivar, on Monday, the 4th inst., of consumption, Mrs. M. E. Fagg, widow of the late Rev. William Fagg, of LaGrange, Tenn. Funeral services were held at St. James Church. The corpse was taken to Memphis, and after appropriate services at St. Lazarus' Church, was deposited in Elmwood Cemetery, near that city.

POSTPONED.—The second drawing of the Southern Asylum Lottery, which was to come off at Hernando, Miss., on the 3d Monday of October, has been postponed for a short time. Due notice will be given of the day on which the drawing of numbers is to take place. In the mean time let all persons who wish to test their luck call upon C. M. O'Hara and procure tickets.

THE CIRCUS.—Considering the hard times the circus was well attended last Thursday. The performance was all that could be expected, highly creditable and took well with those in attendance. Prof. Cobb's tricks drew attracted no little attention, while Reiphaert, the champion leaper of the world, astonished every one by his dare-devil leaps and antics in mid-air. Again we say the entire performance was excellent.

DRUGS.—DRUGS.—Black & Crawford are in receipt of a large supply of fresh drugs, medicines, paints, oils and dye-stuffs.

NEW MUSIC.—Wm. McCarrell, 91 West Jefferson street, Louisville, Ky., has been kind enough to send us the following named pieces of music: "There never was an Earthly Love," a ballad by Mrs. Annie H. Edwards, price 30 cents; "Autumn Leaves are Drifting," same author and price; "I Love thee still," words by Thos. B. Long, music by Jules C. Meisinger, with handsome engraving price 50 cents. The above music will be sent post paid upon the receipt of the price by the publisher.

WILL WINTER HERE.—The Great Consolidated—Magnin, Carroll & Co.'s Circus—will winter here this season. A number of the company will remain here with the stock and other property of the consolidation. Mr. Magnin informs us, and what he says is so, that times are hard, money scarce, and that he had rather leave his stock here than anywhere else. Mr. Barry Carroll and Prof. Willis Cobb, besides other gentlemen of the company are to remain with us for an indefinite time, perhaps until spring.

NO YELLOW FEVER AT MEMPHIS.—Re-liable information has been received that this fatal and alarming disease which has prevailed in many sections of the South during the past two months, no longer exists in Memphis, owing to the heavy frosts which have recently made their appearance there. The citizens are returning to their homes, the people from the country are flocking into the city, and business is resuming its natural channel. The only symptoms of disease which remains in all that section of the country is a few cases of chills and fever, which the Texas Tonic Syrup, as soon as it reaches them, will dispel. It has cured thousands of cases in North Mississippi, Arkansas and Texas during the past season. Many physicians are ignoring the use of quinine and substituting for it this wonderful remedy in their private practice, and we would say to all who are afflicted with this miserable disease, "Here is your remedy."

FROM TEXAS.—Dr. R. M. Mayes, formerly of this place, but now of LaGrange, Texas, in a letter which was written to one of our fellow-citizens, says that the town of LaGrange has been almost depopulated by the ravages of the yellow fever. The sick were neglected, and dead bodies thrown into the river near the town. Dr. Mayes speaks of returning to "the states," as he says he cannot live where the yellow fever rages.

PERSONAL.—During the past week our little city was honored with the presence of no less a personage than Col. Henry M. Ashbey, late of the Confederate army. The Colonel appeared to be in excellent health and was on his way to Bolivar county, Miss., where he expects to reside. East Tennessee thus loses one of her most gallant citizens.

For medicines of all kinds go to the drug house of Black & Crawford.

SEND IN THE NAMES.—Captain A. T. McNeal, Secretary of the Hardeman County Monumental Society, requests that the names of deceased soldiers from this county be sent to him. Send name of person, age, manner of death, regiment and company.

Special Notices.

ALLISON BROS.—Deal in hardware, cutlery, etc., Main street, under the Washburn House. A full stock on hand at reasonable prices.

TO THE LADIES.—Madame Mitchell & Co., Second street near the Irving Block, Memphis, have on hand, or will make to order, any article of wearing apparel needed by the ladies. Madame Mitchell is an artist of superior merit and great experience. Ladies would do well to visit her establishment.

PROFESSOR Y. DAY.—Ladies and gentlemen visiting Memphis during the present business season should not fail to call at the Art Gallery of Professor Y. Day, located at the south-east corner of Main and Union streets. As a photographer, Prof. Day ranks the most renowned in the South.

DAY'S GALLERY.—If you want true, life-like pictures of yourself or friends, go to the Art Gallery of Prof. Y. Day, corner of Union and Main streets, Memphis. Professor William Cooper, the renowned portrait painter, is there also, and would be pleased to have you call and examine the beautiful paintings with which his rooms are adorned.

NO. 232 FRONT ROW.—Among the old and reliable business firms of Memphis will be found Choate & Co., dealers in hardware of all kinds, tin, copper and sheet iron ware, stoves, grates, etc. Our citizens could not patronize a better or more reliable firm. When in Memphis call on Choate & Co., and examine the large stock of goods which they have on hand.

NOTICE.—The undersigned desire to give notice that they are now offering their entire stock of goods at cost, for cash. We have a great many desirable goods for fall and winter, and other goods suitable for all seasons. Our stock is broken to some extent, still persons can find nearly any thing they may want in our line. We can and will sell great bargains. The public are invited to call and examine.

Respectfully,
HARRINGTON & Co.

PERSONAL EXPLANATION.—Many persons do not understand what is meant by the "Great Southern Preparations." Let us explain. At Memphis, three experienced Southern physicians, one of Memphis, one from Mississippi, and the other from Louisiana, united their mental powers, their money and their experience for the purpose of preparing for the Southern people with a class of reliable family medicines, to be used in lieu of the many that are from those who know but little of our diseases, and they are called the "Great Southern Preparations," being eighteen or twenty in number. They are neither secrets or patents.

TEXAS TONIC SYRUP

A Vegetable Compound for the rapid and never failing Cure of
Chills & Fever or Fever & Ague

Every Poison has its Antidote—Every Disease has its Cure.

The People of the Mississippi Valley and throughout the entire South, have long felt the necessity for, and want of, a SAFE, CERTAIN AND RAPID REMEDY, as a substitute for Quinine, Strychnine, and other poisonous Drugs, for the cure of Fever and Ague, and Chills and Fever. We claim, and the results will show, and bear ample testimony to every sufferer from this disease, that the Tonic Syrup has supplied this want and accomplished this purpose. The Tonic Syrup is a safe and reliable remedy, such that none can possibly be disappointed in its effects. Upon its use certain disease is eradicated. A single trial is all that is needed to stamp this remedy as the greatest specific of the age.

The ingredients of which this Medicine is composed are simple productions of nature abounding upon certain sections of the State of Texas, and were ever used by the Aborigines of that State as a specific for Fever of all kinds, and especially Fever and Ague, which they never failed to cure. A celebrated physician, acquainted with these facts, has furnished up his theory upon this subject, and has hence the product properly named TEXAS TONIC SYRUP, which we now offer to the public as a specific and positive cure for Fever and Ague, or Chills and Fever, no matter of how long standing.

MANFIELD & HIGBEE:
DR. TARKER.—Having long suffered from Chills and Fever, and after having tried various remedies, Ayer's Sarsaparilla, and other costly medicines, I was induced to try your TEXAS TONIC SYRUP. After taking a few doses I was entirely relieved, and have had no return of the disease since. I take pleasure in recommending it as a safe, pleasant and speedy cure for the above named disease.
H. B. TOMSON, No. 43 South Court street.

MEMPHIS, TENN., September 4, 1867.
This is to certify that I was afflicted with Fever and Ague, and the most inveterate character for about two years. I tried many remedies, including large quantities of Quinine, Strychnine, and other costly medicines, but without avail. I was finally induced to try the TEXAS TONIC SYRUP. The result has been, that after taking the first dose I had "no more chills," and am now rapidly recovering my health and strength. I have sent down of this valuable medicine to my plantation at Milliken's Bend. Every planter should keep it on hand.
H. AUSTIN, formerly Superintendent Little Rock R.R.

MEMPHIS, TENN., August 31, 1867.
DEAR SIR:—In March last I had a severe attack of Chills and Fever. After using the usual remedies (Quinine, Sarsaparilla, etc.) without any good results, I was induced to try your TEXAS TONIC SYRUP. After taking a few doses I was entirely relieved, and have had no return of the disease since. I take pleasure in recommending it as a safe, pleasant and speedy cure for the above named disease.
Very respectfully,
FERDINAND HALL, with Orrell Bros. & Co.

MEMPHIS, TENN., September 3, 1867.
MESSRS. MANFIELD & HIGBEE:—After suffering more or less from the Ague for five years, and finding no permanent relief from the physicians, I was induced to try your new remedy, the TEXAS TONIC SYRUP, and am happy to state that it worked to a cure. I have had but one Chill since (and that was caused by a indisposition on the third day after taking a few doses three months have since elapsed, and I unhesitatingly recommend it to all who are suffering from the Ague as a safe, sure and pleasant remedy for the same.
